

EMERYVILLE CELEBRATION OF THE ARTS, INC.

33rd ANNUAL ART EXHIBITION

October 5-27, 2019

call for entry

HISTORY

First held in 1987, the Emeryville Annual Art Exhibition was initially conceived as an event to recognize the City's active and visionary partnership with the Emeryville Artists' Cooperative. Through the Redevelopment Agency's participation in the purchase of the Cooperative's warehouse, the City played a major role in stabilizing the live/work environment so vital to its creative community. While the concept of the Exhibition began as a celebration of this partnership, it quickly expanded to embrace the entire artist population of Emeryville.

MISSION

The mission of the Emeryville Celebration of the Arts, Inc., the non-profit organization responsible for the Annual Art Exhibition, is to foster an appreciation of the arts and artists of Emeryville, and to promote our city's image as a culturally vital and progressive center for living and working. Its purpose is to produce and coordinate community-based events and programs to meet its primary goals:

- ◆ to enhance the quality of life in Emeryville;
- ◆ to recognize the arts as a major cultural and economic resource;
- ◆ to increase citizen involvement in the arts through an active partnership of our business, residential and arts communities; and
- ◆ to increase public awareness of the rich diversity of all forms of creative expression in Emeryville.

ELIGIBILITY

- ◆ Open to artists and craftspeople living and/or working in Emeryville, 18 years or older.
- ◆ All visual media will be considered as well as performance arts.

CURATOR AND JURORS

Kathleen Hanna will curate the 33rd Annual Art Exhibition. Ms. Hanna is an independent curator and exhibition designer. The other jurors are Elizabeth Shypertt, co-founder of Velvet Da Vinci Jewelry Gallery, San Francisco. Moraga and George Lawson, Director, George Lawson Gallery, Emeryville.

The decision of the jurors will be final.
